## Press Release

### **The “Beauty Cottage” at the Schlosshotel Kronberg** Beauty & wellness in the castle’s romantic gatehouse

**Frankfurt, May 2015** – The Schlosshotel Kronberg offers beauty and wellness treatments in the wonderful atmosphere of its historic gatehouse. Here, the “Beauty Cottage” pampers its guests with natural cosmetic products from luxury labels, mainly by *The Organic Pharmacy*. The Beauty Cottage offers classic face treatments, manicures and pedicures as well as massages. The hairstyling team MD Classic, by Matthias Diry, complements the beauty programme.

“We strive to offer our hotel guests and external costumers the full range of first-class beauty and wellness treatments in a unique setting”, states Franz Zimmermann, General Manager of the Schlosshotel Kronberg. “That kind of service includes massage treatments in your private hotel room, offered until midnight. Especially late check-in guests exhausted from a long journey appreciate this special service.”

#### **Naturalness is the greatest luxury**

The Beauty Cottage is located directly at the entrance to the palace garden, alongside the hotel’s driveway; and like the Schlosshotel Kronberg itself it was built in British Tudor style. The Beauty Cottage is managed by Isabel Siebecke and Victoria Gebhardt-Euler. They value the Beauty Cottage as a retreat full of peace and serenity, where nature meets luxury. “The luxurious ambience at the Schlosshotel Kronberg serves as a perfect setting to offer our guests the best purely organic treatments making them forget their daily routine and allowing them to regenerate”, says Victoria Gebhardt-Euler.

Before she became a holistic beautician, Victoria Gebhardt-Euler worked in marketing and so she knows about the advertising promises of conventional cosmetics. "Our costumers enjoy treatments with the best purely organic products you can get. While using high-end natural products, we still hold the average price level prevailing in luxury hotels. This is a distinctive advantage for our guests", explains Victoria Gebhardt-Euler.

The beauty and wellness treatments can be booked through the reception desk of the Schlosshotel Kronberg (phone: 06173-701 01) Mondays through Fridays from 9.30 a.m. to 7 p.m. and Saturdays from 10 a.m. to 2 p.m. or directly at the Beauty Cottage (phone: 06173-995 38 73). Appointments for the hairdresser and massages (daily from 8 a.m. to midnight) can be made individually using the same telephone numbers.
